The Medal of Honor is the highest award for valor in action against an enemy force which can be bestowed upon an individual serving in the Armed Services of the United States. Generally presented to its recipient by the President of the United States of America in the name of Congress

Introduction

Per the Congressional Medal of Honor Society's web site (www.cmohs.org) "The **Medal of Honor** is the highest award for valor in action against an enemy force which can be bestowed upon an individual serving in the Armed Services of the United States." A history of the Medal and its recipients can be found on the web site. The Military Times' Hall of Valor web site (www.militarytimes.com/citations-medals-awards/) and the Home of Heroes web site (www.homeofheroes.com) are two other internet sites that can be used to obtain information about the Congressional Medal of Honor (CMoH) and its recipients.

We recently completed the article "Congressional Medal of Honor Recipients (Somerset County, PA)" for the *Laurel Messenger* (Volume LI Number 3, August 2010) on the CMoH recipients born in Somerset County, Pennsylvania: Francis Marion Cunningham (Civil War), John William Mostoller (Civil War), George Henry Ramer (Korean War), and Clifton T. Speicher (Korean War). In that article, we could provide only a very limited amount of information on the ancestors and descendants of each recipient. This book is an effort to provide more detailed information. However, we have limited the number of ancestral generations as follows: for Civil War CMoH recipients, we only go back to their 1st great-grandparents; for Korean War CMoH recipients, we only go back to their 3rd great-grandparents. We have attempted to identify all of the siblings, and their spouses, within each ancestral generation, except for the earliest generation (i.e., 1st great-grandparents for Civil War CMoH recipients and 3rd great-grandparents for Korean War CMoH recipients). In those cases, we have attempted to identify only the parents in the earliest generation of great-grandparents. No limits have been placed on the number of descendant generations. For those individuals who may be alive (born 1910 or later), we have suppressed their birth dates.

We have attempted to identify the sources of our information. However, much of our information was gathered from the internet; and in many cases, we could not identify the individual who posted this information. As with any genealogy research, use the information provided here as a beginning point for your research and attempt to verify what we present through other sources available to you.

The following are some notes on the documentation idiosyncrasies of the reports presented here:

1. Where multiple spellings of a name have been found (e.g., Rachel and Rachael), we have separated the different spellings with the "|" character (e.g., Rachel|Rachael). The same convention is used where we are unsure as to the correct order of the First Name and Middle Name (e.g. Rachel Elizabeth|Elizabeth Rachel).
2. Where an individual is one of multiple persons (e.g., Bradley or Derek Mostoller), the individual's name is listed as "(1st Individual's First Name or 2nd Individual's First Name) Last Name" [e.g., (Bradley or Derek) Mostoller].
3. If an individual's first name is not known, but their mother's maiden name is known, the individual's first name is listed as "(Unknown-Mother's Maiden Name)." For example, Adam C. Mostoller and Mary Jane Miller have a son for which we do not know his first name. In this case, we have listed his first name as "(Unknown-Miller)."
4. Where multiple dates have been found for a specific event (e.g., birth, death, or marriage) and we have no concrete proof as to which date is correct, we have listed the date of the event as a date range (e.g., 12 Feb 1897 – 21 Jul 1898). In those cases, we have attempted to identify the source of each date in our source documentation at the end of the report.

5. Where a birth date is calculated based on a death date and an age at death (e.g., 13 Jun 1890, 12-11-5), the calculated birth date is preceded by "Abt." (e.g. Abt. 8 Jul 1877).
6. If a Death fact says that the individual died "after" a specific date, it doesn't necessarily mean that the individual is deceased. It only means that the individual was alive on that date. Frequently, this is the death date of a relative (e.g., spouse or sibling).
7. There are a number of circumstances where we have included comments or alternative information within parentheses "(") in the Comment field of a Fact. For example, we consistently found it reported that Sarah Jane (Pinkerton) Cunningham died on 9 Jun 1880, but the 1880 U.S. census taken on 26 Jun 1880 indicates that she is alive on that date. In this case, the following comment was included in the Comment field of the Death fact: "(This date is questionable; based on the 1880 census taken on 26 Jun 1880, Sarah appears to be alive.)" In another example, we found it reported that Matthew Pinkerton (son of Richard Pinkerton, Sr) was married to Sarah Hanley or Sarah Reed. In this case, the name and the birth and death dates for each Sarah have been included in the Name, Birth, and Death facts. The specific information about each Sarah has been included in the Comment fields of the Birth ["(Sarah Hanley: 4 Feb 1783 -- Sarah Reed: 16 Oct 1782)"] and Death ["(Sarah Hanley: 18 Jun 1846 -- Sarah Reed: 10 Jun 1827 - Somerset Co, PA. Matthew's wife appears to be deceased at the time of the 1830 census.)"] facts.

"F. M. CUNNINGHAM, AGED WAR VETERAN, DIES OF LOCKJAW"

After Braving Many Battles County Chaplain Falls Victim of Nail

HONORED BY CONGRESS

Only Man from County Serving in Rebellion to Receive Decoration from National Legislature:
Capture of Colors Witnessed by General Custer.

Lockjaw resulting from blood-poisoning caused the death of Francis M. Cunningham, 80 years old, leading Civil War veteran of the county, Sunday morning at 8:30 o'clock at his home near Ohiopyle. While at work about an old building about a week ago Mr. Cunningham stepped on a rusty spike, causing an ugly wound of the foot. Later blood poisoning developed, followed by lockjaw.

Comrad (sic) Cunningham was one of 67 Fayette countians who purchased horses on their account and rode to West Virginia, enlisting in the First West Virginia Cavalry, in order that they might get into the service. The regiment was commanded by Colonel Kephart. Mr. Cunningham held the record of being the only soldier of the Civil War from Fayette county to be rewarded for gallantry by a congressional medal. As an orderly sergeant at the battle of Gettysburg he took command of his company when the officers were killed and held the command to the end of the war. At the battle of Sailor's Creek, Va, his horse was shot from under him. He mounted a mule and distinguished himself in the capture of the rebel colors. When the color bearer resisted he drew his sabre (sic) when his gun refused to work and personally compelled the bearer to surrender. General Custer witnessed the act and sent Cunningham to Washington with the colors. For this act he was given an additional \$10 a month pension.

The deceased was born in Somerset county and had resided in the community of Ohiopyle virtually all his life. He held the title of reverend and was chaplain of the Fayette County Veterans' association. He was also a member of the William F. Krutz Post No. 104, Grand Army of the Republic, and came from Ohiopyle to attend many of the meetings. He had many friends here.

The deceased enlisted at the outbreak of the Civil War in Co. H, First West Virginia Cavlary (sic) and later by reason of re-enlistment he served two years and six months as a member of Company H, First Pennsylvania Cavalry. He was honorably discharged from the service at Wheeling, W. Va., as a sergeant in 1865. Mr. Cunningham participated in 74 battles and six skirmishes.

The deceased was a widower. He is survived by the following children: James, Charles, Mrs. William Johnson and Mrs. Mary Cunningham, all residing in the vicinity of Ohiopyle, and Mrs. Belle Boyd, and a large number of grandchildren. Funeral from the house Wednesday afternoon at 1 o'clock, followed by services at the Baptist church at Ohiopyle.

"F. M. CUNNINGHAM, AGED WAR VETERAN, DIES OF LOCKJAW"

After Braving Many Battles County Chaplain Falls Victim of Nail

HONORED BY CONGRESS

Only Man from County Serving in Rebellion to Receive Decoration from National Legislature:
Capture of Colors Witnessed by General Custer.

Lockjaw resulting from blood-poisoning caused the death of Francis M. Cunningham, 80 years old, leading Civil War veteran of the county, Sunday morning at 8:30 o'clock at his home near Ohiopyle. While at work about an old building about a week ago Mr. Cunningham stepped on a rusty spike, causing an ugly wound of the foot. Later blood poisoning developed, followed by lockjaw.

Comrad (sic) Cunningham was one of 67 Fayette countians who purchased horses on their account and rode to West Virginia, enlisting in the First West Virginia Cavalry, in order that they might get into the service. The regiment was commanded by Colonel Kephart. Mr. Cunningham held the record of being the only soldier of the Civil War from Fayette county to be rewarded for gallantry by a congressional medal. As an orderly sergeant at the battle of Gettysburg he took command of his company when the officers were killed and held the command to the end of the war. At the battle of Sailor's Creek, Va, his horse was shot from under him. He mounted a mule and distinguished himself in the capture of the rebel colors. When the color bearer resisted he drew his sabre (sic) when his gun refused to work and personally compelled the bearer to surrender. General Custer witnessed the act and sent Cunningham to Washington with the colors. For this act he was given an additional \$10 a month pension.

The deceased was born in Somerset county and had resided in the community of Ohiopyle virtually all his life. He held the title of reverend and was chaplain of the Fayette County Veterans' association. He was also a member of the William F. Krutz Post No. 104, Grand Army of the Republic, and came from Ohiopyle to attend many of the meetings. He had many friends here.

The deceased enlisted at the outbreak of the Civil War in Co. H, First West Virginia Cavlary (sic) and later by reason of re-enlistment he served two years and six months as a member of Company H, First Pennsylvania Cavalry. He was honorably discharged from the service at Wheeling, W. Va., as a sergeant in 1865. Mr. Cunningham participated in 74 battles and six skirmishes.

The deceased was a widower. He is survived by the following children: James, Charles, Mrs. William Johnson and Mrs. Mary Cunningham, all residing in the vicinity of Ohiopyle, and Mrs. Belle Boyd, and a large number of grandchildren. Funeral from the house Wednesday afternoon at 1 o'clock, followed by services at the Baptist church at Ohiopyle.
